Dear Neighbour,

We would like to provide you with an update on the Gorwydd Road development.

Since last May, the following work has been undertaken:

- Erecting timber frames for the houses and an apartment block.
- In regards to roofing, 23 plots have had their roofs roofs are following up to 23 plots to date.
- Plots 1-4 are soon to be completed
- Ph2 infrastructure works are to begin next week

We have been made aware of noise concerns raised by residents in the locality of the site. To tackle this, workers on site have been told not to start before 8am. We will continue to work with the trades to monitor activities and keep noise to a minimum.

We would like to take this opportunity to thank you for your ongoing support during the construction period and we look forward to continuing to update you on progress as the development continues.

As always, if you have any questions or concerns regarding the project please do not hesitate to get in touch with CSR, Neil or Steve.

Kind Regards,

Morganstone Ltd
